

Student-Athlete Vaccinations: All Los Angeles Unified students who are part of in-person extracurricular programs (including athletics) are **REQUIRED** to receive their **first vaccine dose by no later than October 3, 2021** and their **second dose by no later than October 31, 2021.**

Students and families that have questions or concerns regarding the vaccine are encouraged to call the family hotline at (213) 443-1300 and review our Frequently Asked Questions. The safe steps to school link may be accessed for additional information, including vaccination information. Go to: <https://achieve.lausd.net/covidvaccineappt>
