

## Summer Intersession Fact Sheet

FREE Summer Intersession Option for your students!

This is a blended program in which students will:

- work independently and receive one-on-one, personalized attention from a fully credentialed teacher.
- have open access to tutoring support on all subjects. No appointment necessary.
- have flexible scheduling to accommodate vacation/work schedules or other adult responsibilities.

### Counselors should:

- prioritize the top three courses the student might need to take, including those in danger of failing in the current semester.
- indicate the order of course completion, maximum 3 courses (15 credits).
- approve via signature on the Referral form.

### Student Appointments:

Students will have a prescheduled appointment minimum once a week to meet individually with their teacher to review what they have learned, go over assignments/projects, and to test.

Science Students needing A-G credit will also need to complete their lab assignments during Lab Hours.

Students may complete more than one credit per appointment. Students are encouraged to come in more frequently if they feel they need the extra support or wish to complete credits at a faster pace.

### Course Specifics:

- Courses are A-G approved where indicated by \*. CEEB code 054765. *Not NCAA approved.*
- **Art History** fulfills the A-G Fine Arts Requirement.
- **Science Labs** –Biology, Chemistry and Integrated Science courses all satisfy the A-G requirement! Students may take up to a 10 credit lab class and will need to complete lab assignments in our resource center during the Open Lab Hours.

Referral forms are accepted on a first-come, first-serve basis. Counselor Approval is required.

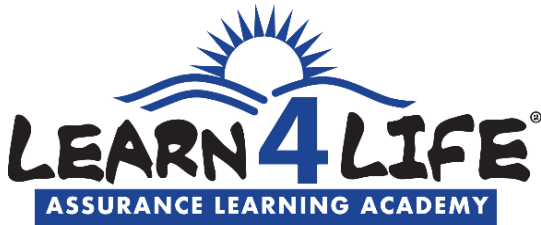

A parent/guardian and the student will be required to attend a Summer Orientation in order to complete the Summer Intersession Enrollment process.

Session Runs 7/2/18– 8/3/18. Sessions vary based on referring school's Fall start date.
